

## FALCONE FINANCE NO DEPOSIT BONUS TRADING TERMS

**Scenario 1:** Trader made a trading volume of \$3000 within 10 business days and has \$450 on his balance. The amount of **\$200 in profits + \$3 account verification payment (\$203 in total)** is withdrawable. The initial \$100 bonus + the \$147 profit balance will be set to \$0.

**Scenario 2:** Trader made a trading volume of \$3000 within 10 business days and has \$130 on his balance. The **\$30 is the amount of profits** that is withdrawable. The initial \$100 bonus will be deducted from the account balance.

**Scenario 3:** Trader didn't make a trading volume of \$3000 within 10 business days and has \$700 on his balance. He is not entitled for any profit. \$3 US account verification payment is not withdrawable. It will remain on the account balance for 2 months and if during this time a trader makes a deposit, he can use it for trading. The initial \$100 bonus + the \$597 profit balance will be set to \$0.

**Scenario 4:** Trader didn't make a trading volume of \$3000 within 10 business days and has \$10 on his balance. He is not entitled for any profit. \$100 bonus will be deducted from the account balance. \$3 US account verification payment is not withdrawable as it was used for trading.
